

Economics and Management Admissions 2021-22: Summary Data for Candidates

Total applicants, excluding candidates who withdrew: **1709**. Of these applicants, 291 (17.03% of total applicant numbers) were shortlisted for interview and 94 places (5.55%) were offered. Breakdowns of the figures for applications and offers into various categories are provided below.

Category	Number of Applicants	(% of total applicants)
Female	700	40.95%
Male	1009	59.05%
Application for 2022 entry	1667	97.54%
Application for 2023 entry	32	2.46%
UK (home)	821	48.04%
EU	190	11.12%
Overseas	698	40.84%
Offers for 2022	89	5.21%
Offers for 2023	5	0.29%

Candidates were shortlisted for interview according to the factors in the following table with weights – High/Medium/Low – as indicated. For those shortlisted, performance at interview is an additional assessment factor considered alongside those shown which remain important.

Factor	High	Med	Low
Pre-interview Admissions Test	X		
GCSE (or similar) profile	X		
Predicted performance at A-level (or similar)	X		
UCAS reference		X	
AS level module grades (if taken)			X
UCAS personal statement			X

For guidance, information is also presented on the distribution of scores on the TSA exam amongst EM applicants (more detail and individual results are available via [Scoring and results | TSA Oxford | Cambridge Assessment Admissions Testing](#)):¹

10 th percentile	73.91	20 th percentile	70.44
30 th percentile	68.33	40 th percentile	66.33
50 th percentile	64.4	60 th percentile	62.53
70 th percentile	60.68	80 th percentile	58.83
90 th percentile	55.05		
Mean:	64.6	Standard deviation:	7.5

¹ Percentiles are from the highest to lowest, i.e., 10th percentile refers to the base score of the top 10% of the cohort.
