August 2023

Dear Fresher,

I am writing to welcome you to St Catherine's and to tell you about arrangements on the day of your arrival here. On the College website you will find a copy of the College Regulations and other important information that you should consult. The Senior Tutor, the Academic Registrar and the Dean are also writing to you with a good deal of information. I know you will get a lot of information at this stage, but please do take the time to read it all carefully. It is particularly important you take some time to familiarise yourself with the College Regulations.

We shall expect you to arrive between Sunday 1 October and Monday 2 October, with Freshers Week commencing on Tuesday 3 October. In September we will email you and ask you to book a date and time to collect your room key from the Porters' Lodge and move into your room.

Registration for all new students takes place in the JCR Lecture between 4.00 p.m. and 4.45 p.m. on Tuesday 3 October.

You will find details of when and where you are to meet your Tutors on the College website when you arrive. The majority of these meetings will be held on the morning of Wednesday 4 October.

An introduction to the College will be given by Senior Tutor, the Academic Registrar, the Home Bursar, the Dean, the I.T. Manager, and myself, in the Bernard Sunley Lecture Theatre at 4.00 p.m. on Wednesday 4 October. We will then hold an introduction to studying at university at 4.25 p.m. before the Catz Research Showcase at 5.25 p.m.

I very much hope that the next term will be the beginning of a fruitful and happy period as a member of St Catherine's, and I look forward to meeting you in October.

Yours sincerely

Professor Kersti Börjars
